

The 34th USAPEEC Annual Meeting is proving extraordinarily popular with members. With the event still nearly two months away, meeting sponsorships may be on the way to setting a record high. As of this week, 23 members have taken out sponsorships totaling \$97,000.

Memberships are available in three categories _ Diamond, Platinum, Gold, Silver, and Bronze _ and each has drawn considerable interest.

The full current sponsors list can be found inside this issue of *MondayLine*.

Members are also registering to attend in growing volumes, with the number of people signed up nearing 100. Remember that early bird registration ends on April 30 and hotel group rate availability expires on May 12, so act soon.
